**Notes**

**Disclaimer Note:**  
The Corridors shown may be subject to change. More detailed assessments, on-going studies and the information received from the public may result in changes to the constraints display and Proposed Study Area. The corridors are generally 200m wide but vary in certain areas due to notable constraints and opportunities. The corridors shown do not represent the lands required for a Greenway, they represent the lands for which a Greenway is feasible.
